

## Cultivate NSW CORPORATE SPONSORSHIP

Corporate sponsorship with Cultivate NSW shows that your company is actively promoting the therapeutic benefits of gardens and natural settings. You will also be known as a real supporter of inclusive gardening practices.

### **What you get:**

- \* one year membership to Cultivate NSW for 2 people
- \* discounts to Cultivate NSW events during the year
- \* logo on promotional material where you support individual events
- \* guest blog posts on Cultivate NSW website
- \* a listing on Cultivate NSW website as a corporate member
- \* social media presence through Facebook and Instagram posts
- \* support for your promotions and competitions

As a supplier of gardening products, Corporate Sponsorship helps to link you with people involved in a range of allied health areas including aged care, mental health, disability and community wellbeing programs and community gardens and schools.

As an allied health service, Corporate Sponsorship gives you all the latest research and product development to support health and wellbeing through gardens.

### **Corporate Sponsorship \$500 p.a.**
