

AUSTRALIAN THERAPEUTIC LANDSCAPES CONFERENCE GOLD COAST 2018

events@tha.org.au | +61411520796

TELL US YOUR STORY IN A SHORT VIDEO!!!!

We want to know what therapeutic horticulture means to you, so we're setting some time aside at this year's conference to view some short videos showing the impact of gardens on people.

This is your chance to tell us your story with a video submission (and remember the size of your garden doesn't matter; it's okay if you only just have a few pots on a windowsill).

All video submissions will be scored and the highest scoring videos will be screened during the conference. Here's what they'll be scored on:

- **Head:** Does it have us thinking therapeutic horticulture in a new way or innovative way?
- **Heart:** Does it stir us emotionally or inspire us?
- **Hand:** Does it demonstrate the impact it is having on people's lives?

SUBMISSION REQUIREMENTS

- **Length:** Films need to be no more than 4 minutes in length (2-3 minutes is ideal).
- **Rights:** You need to make sure anyone featured in your video has given their informed consent to participate and ensure video portrayals of them are respectful.
- **Uploading:** please upload your videos to YouTube or Vimeo and submit the link in the submission form.
- Remember to ensure your **Vimeo or YouTube Channel isn't set to private!**
- If your film is chosen as a finalist we will ask for you to **supply a copy of your video** via Dropbox or email to be shown at the conference.
- It's not Cannes, but we do want **good quality high resolution footage shot in landscape perspective**. If it's grainy, pixelated or with poor sound or audio, it will be a little bit harder for us to love it or show it on the big screen.
- **PRODUCTION QUALITY LESS IMPORTANT! No Steven Spielbergs!**

BUT WAIT ... THERE'S MORE

IF YOU'RE CHOSEN AS A FINALIST:

- You will be asked to supply your video file via Dropbox or email in the highest resolution possible.
- We will hope you will join us for the afternoon viewing session at the conference, and if you're lucky
- One of our finalists will receive a Vegepod (size of their choice) for your very own garden. Your video will be shared (with your permission) across social media and on the THA website and you will receive one year free membership of THA.
